

# 4-Inch Series: Tube Light Clusters

Our redesigned 4-inch Series Tube Light Clusters, available in lengths from 2 to 8 feet, feature a matte white acrylic cylinder diffuser for even illumination and an optional LED TIR downlight. Perfect for retail, concourse, stairwell, lobby, and restaurant settings, these fixtures are grouped in clusters of three with varying heights and sizes. Hang them creatively using aircraft cables or a 3/8" IPS pipe for a modern chandelier effect.
