

# Dos Grande Modular

Dos Grande is the largest fixture in the Dos family, allowing custom curve radiuses and angles to be connected to linear modules in the field for an infinite combination of designs, all with integral drivers.

WHITE LEDs

**W30** (3000K)

**W35** (3500K)

**W40** (4000K)

**TW2750** (tunable white 2700K to 5000K)

COLOR LEDs

**RGBW**-color + 3500°K white

STANDARD DRIVER

**D-0-10 V**

OPTIONAL DRIVERS

**BDIM-W11**- Lutron EcoSystem

**DMX**

**DA-DALI**
