

Textura ILTC1, 2, 3

This textured handcrafted spun aluminum shade, available in 16, 24, and 31.5-inch diameters, comes in eight classic and neutral colors, including black, light grey, silver taupe, and sand. It features gold or white internal reflectors and offers three distinct optics: Eclipse (indirect), Lensed (direct), and Spot. This versatile shade is the ideal choice for enhancing both commercial and hospitality interiors.
